Warehouse215 Announces 4 Promotions of Event Staff, Including New Vice President
Maria Mwangi becomes the new VP of Warehouse215 in less than 8 months

For Immediate Release: February 23rd, 2023

In response to the rapid growth of their venue since taking ownership in June 2022, Warehouse215, a former Laundry Linen Factory, has refocused its century-old building into one of the most significant event venues in Arizona. Under new leadership by Event Expert, Maria Mwangi, Warehouse215 has shifted its focus into VIP event management and design for corporations, non-profits, upscale private events, and social celebrations.

Amidst the massive demand they have experienced within the past 8 months, Warehouse215 has made the decision to promote their in-house staff and elevate the responsibilities of their event experts. This iconic location is proud to announce the promotions of four of its valued staff, who have all played an essential role in the expansion and elevation of Warehouse215. Now representing this venue is Maria Mwangi as Vice President, Darnell Weeden as Event Manager, Rylee Grafil as Sales Manager, and Lauren Simmons as Social Media and Marketing Manager.

While at Warehouse 215, Maria Mwangi has been instrumental in ensuring the growth and success of not only their events but our other marketing, PR, and development projects as well. Warehouse215 has expressed deep gratitude to the local community for ensuring the success of its expansion into the Phoenix market and the remarkable support from brand partners. This announcement is only part of many upcoming exciting changes as they take on new projects and ramp up their presence in the Phoenix area.
